About the selected Webinar Topic:

The profound impact of humanity has permanently altered the natural environment, and the process is continuing. Such unprecedented change is disrupting the life of all non-human beings of the world. In this webinar we will attempt to seek the harmony out of chaos by critically examining the threats of changing world on non-human life forms, and the altering human-animal relationships in the course of struggle of coexistence.

Vision of the Institution:

In an eco-friendly geographical location & within a backward socio-economic rural base, the college started its journey on 17th August, 1966. The conceptualization to establish this college was to create a class of intellectuality, morally and spiritually sound and committed citizen, who will become a human resource of high caliber, to cater to the needs of the society and the country as a whole.
